

EC Certificate

EC-CERTIFICATE OF CONFORMITY

0086-CPD-524761

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

Mineral wool thermal insulation

as being Reaction to fire class A1 as detailed on the Supplementary Information Sheet

produced and placed on the market by

Owens Corning Mexico S. De R.L. De C.V.
Mexico City Plant, Av. Acueducto #459, Colonia Zacatenco, Delegacion
Gustavo A. Madero, Mexico City Distrito Federal, 07360
Mexico

is submitted by the manufacturer to a factory production control and that the notified body – BSI Product Services - has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of conformity and the performances described in the Annex ZA of the standard

EN 13162 : 2001

Mineral wool thermal insulation products for buildings

were applied and that the product fulfils all the prescribed requirements, with conformity established according to EN 13172, all provisions concerning the attestation of conformity and the performance, with regards to the reaction to fire classification in accordance with EN 13501-1, described were applied and that the product fulfils all the prescribed requirements.

For and on behalf of the British Standards Institution, a Notified Body for the above Directive (Notified Body Number 0086):

Alastair Trivett, Managing Director, BSI Product Services - Global

Date 20 February 2008

This certificate first issued Date 20 February 2008

This certificate remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the factory product control itself are not modified significantly.

The British Standards Institution is incorporated by Royal Charter.
